

## LIVE WEBINAR FAQs

### How do I register for a webinar?

Go to [FOH4You.com](https://www.foh4you.com) and click on the **Enter Site** button. Once you enter the website, you can find the upcoming webinars in three ways:

1. Click on **Explore** in the top navigation, then click on **Live and On-Demand Webinars**
2. Click on **Featured Topic** in the top navigation, click **Access Webinar**, then click **Register**

3. Go to the [Live and On-Demand Webinars](#) page and click on **Webinar Calendar** to view and register for any scheduled webinar for the year.

Click the webinar calendar link below to view this year's offerings and register for upcoming sessions.

[2022 Webinar Calendar](#) [Live Webinar FAQ](#)

From the *Event Information* page, click *Register* at the bottom, then fill in the following:

- First Name – type in your first name
- Last Name – type in your last name
- Email address – type in your email address
- Confirm email address – re-type your email address
- Agency Name/Acronym – type in your agency; example: HHS
- Number of Attendees (including yourself) – type in the number; usually it is 1

Then click *Submit*

You will immediately receive a confirmation email which contains login details for the day of the event, and a calendar attachment with a meeting invitation. Open and click *Accept* to have it added to your calendar. A reminder email will also be sent prior to the live webinar.

## How do I access the live webinar?

Click on the URL link provided to you in either the registration confirmation, the reminder email, or your calendar invite. Complete the following fields under the *Join Event Now* section:

- First name
- Last name
- Email address

Then, click *Join Now*

## Can I receive a copy of the slides or other materials?

Yes. The slides, which include a certificate of attendance, recording link, and the resource handout, will be emailed to you within 24 hours after the live webinar. You must register for the event to receive the email. You can also view/download a recording of the presentation and the materials from [FOH4You.com](http://FOH4You.com) (see *How can I access the recording* below).

## Are the webinars recorded?

Yes. The transcribed recordings, along with the rest of the presentation content, are posted to the [Live and On-Demand Webinars](#) page about two weeks after the live event.

## How can I access the recording?

Once you enter [FOH4You.com](http://FOH4You.com), click on *Explore* in the top navigation, then click on [Live and On-Demand Webinars](#). Scroll to find the appropriate webinar (the most recent is listed first and the rest are listed alphabetically by title). Click *Recording* to view/download the recording.

**NOTE:** New webinars can take up to two weeks to appear on the site. You may also view/download a copy of the webinar materials, by clicking on *Slides* for the presentation slides, and *Resources* for the resource handout.
